

**2017 FOIA request – Wisconsin DNR unable to locate the following report:**

Bear Creek Mining Company, 1974 (June), Preliminary Environmental Impact Report for Mining the Flambeau Copper Deposit, Rusk County, Wisconsin, Volumes I – IV.

Bear Creek Mining Company, 1975 (Feb), Addendum to Preliminary Environmental Impact Report for Mining the Flambeau Copper Deposit, Rusk County, Wisconsin.

**Update:**

In March 2018 (after Dr. Moran's passing), research librarians at the University of Minnesota-Duluth were able to locate a copy of the above report that had been on file at the now-closed Mt. Senario College Library in Ladysmith, Wisconsin. The copy was subsequently acquired and donated to the Wisconsin Historical Society.
